[en] “The Cask lounge collection is a modern take on classic rattan furniture that is both elegant and embracing. The combination of geometrical simplicity and classic techniques makes a contemporary design that is novel and familiar at the same time. The construction consists of two simple circular rattan shapes forming a mesmerizing geometrical shape held up by a row of classic back ribs. The combination of circular rattan pieces, repetitive rib construction and soft upholstery brings an iconic presence to the design.”

T090A Cask. Armchair / sillón. R22 clay. Ascendent 090

cask

[en] Collection with structure made of peeled and tinted natural rattan of 34 mm/1.34" diameter. Backrest manufactured in peeled and tinted natural rattan of 20 mm/0.79" diameter. Finished with a three step water-based coating (dye, base coat and top coat) highly resistant to solar radiation thanks to UV filters. Possibility of customization through a wide variety of high performance technical fabrics. Protective caps with removable plastic-felt inserts.
