Sand ECO Polypropylene

Black ECO Polypropylene

P68

P 76

P60

## Stacking

### **Vertical Stacking**

### **ECO POLYPROPYLENE**

**100% RECYCLED product** made from recovered materials: manufactured with 100% recycled thermoplastic materia and 20% fiberglass 100% recycled. The different particles present in the plastic granules resin have different melting points as a result of the characteristics of the recovered raw material, and have an irregular surface finish that recreates the naturalness of a recovered product, providing uniqueness and value to the design.
