

Rak Bench

Manufacturer: Kendo, Spain

Rak Bench Francesc Rifé Studio

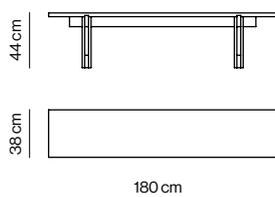

Collection of benches consisting of a rectangular seat in MDF veneered in ash and a structure veneered in the same material. It also has three crossbars at the junction of the structure with the seat, in solid ash, which provide solidity to the whole. The bench is ideally combined with Rak dining tables and bistro table from the same collection, or to be used on its own in transit areas or at the foot of the bed.
