ESSENS

# The collection

## EN

Designed by Jonathan Prestwich, the ESSENS tables combine versatility, beauty and harmonious proportions. The meeting point between two essential volumes in equilibrium generates a table base with a sculptural outline. The highly transversal ESSENS programme of tables comprises six types of 100% recyclable polyethylene table bases that allow composing tables in an endless variety of formats and sizes. The original design makes possible to configure tables with a single top or tables by sections of endless sizes. The bases have been designed to easily solve cable management. The tables can be equipped with different sockets, chargers, connections and accessories. The multiple possibilities of base and top combinations, together with the extensive range of available finishes, allow for endless customisation possibilities.

## FR

Conçues par Jonathan Prestwich, les tables ESSENS, aux proportions harmonieuses, allient à la fois polyvalence et beauté. La rencontre de deux volumes essentiels en équilibre donne aux piètements un effet de sculpture. Le programme de table ESSENS est composé de six types de bases en polyéthylène 100% recyclable qui vous permettent de composer des tables avec une infinie variété de formats et de dimensions, une seule pièce ou par sections. Les piètements sont conçus pour faciliter l'électrification et les tables peuvent s'équiper de différentes prises, chargeurs, raccords électriques et autres accessoires de connexion. Les multiples combinaisons éventuelles de piètements et plateaux de table, ainsi que le large éventail de finitions disponibles, permettent des possibilités infinies de customisation.

Base redonda Ø50cm - A.72cm

**Round table base Ø65cm - H.72cm**  
Base redonda Ø65cm - A.72cm

**Oval table base - H.72cm**  
Base oval - A.72cm

**Oval table base - H.72cm**  
Base oval - A.72cm

**Oval table base - H.72cm**  
Base oval - A.72cm

**Elliptical table base - H.72cm**  
Base elíptica - A.72cm

## Finishes / Acabados

The bases are available in colours PE1, PE2, PE3, PE4 and PE5 from the rothomolded polyethylene swatch card.

Las bases están disponible en los colores PE1, PE2, PE3, PE4 y PE5 del libro de acabados de rotomoldeo en polietileno.

## Wire Management / Gestión de Cableado

1  
- The inside of the bases can optionally be fitted with a cable management tube that allows the cables to be run from the table top to the floor through the base interior to fully conceal them.

Opcionalmente las bases pueden incorporar en su interior un tubo que permite llevar los cables desde la tapa de la mesa hacia el suelo por el interior de la base de modo oculto.

2  
- To adapt for today's new ways of working with laptops, tablets and mobile devices, the conference tables can have a net underneath the top to organize adapters and cables.

Para adaptarse a las nuevas formas de trabajo con portátiles, tabletas y dispositivos móviles, las mesas de conferencias, pueden incorporar una malla textil bajo la encimera que permite la organización de adaptadores y cables.

3  
- The bases are equipped with cable outlets at floor level both from the centre and through the sides.

Las bases incorporan salidas para cables al suelo desde el centro y los laterales.

4  
- The cables can be run through the base, both from the centre and from the sides of the tabletop.

Los cables pueden pasar a través de la base tanto desde el centro como desde los laterales de la encimera.
