To obtain the list price, multiply the price by 2.65.
Prices effective as May 2025.

| Models	Eidos · Coffee table :: **Height 250 mm**	
Structure		
Technical characteristics	Legs made of hot-rolled cylindrical steel tube Ø16 mm and e=2 mm with epoxy paint coating 90 microns thick. Lower steel brackets with a cross-section of 30 x 6 mm. Central joining piece made of polyamide (PA) injection moulding, giving the product stability and robustness.	
Supports	Black non-slip rubber pad with felt silent pad-anti scratch.	
Surfaces		
Technical characteristics	• **MFC**: Chipboard with melamine surface in different finishes with a thickness of 19 mm. • **MDF**: Medium density fibreboard laminated with natural wood in oak finish with a thickness of 19 mm and with a bevelled edge. • **COMPACT**: 10 mm thick compact board made of wood fibres. Black core covered with white or decorated high pressure laminate and bevelled edge.	
Measures		
	Total Measures: Height: 250 mm Width: 1200 mm Depth: 600 mm	**Total Measures:** Height: 250 mm Width: Ø900 mm Depth: Ø900 mm
Dimensions	120 / 60 / 120 / 25	Ø90 / Ø90 / 25

How to code a reference
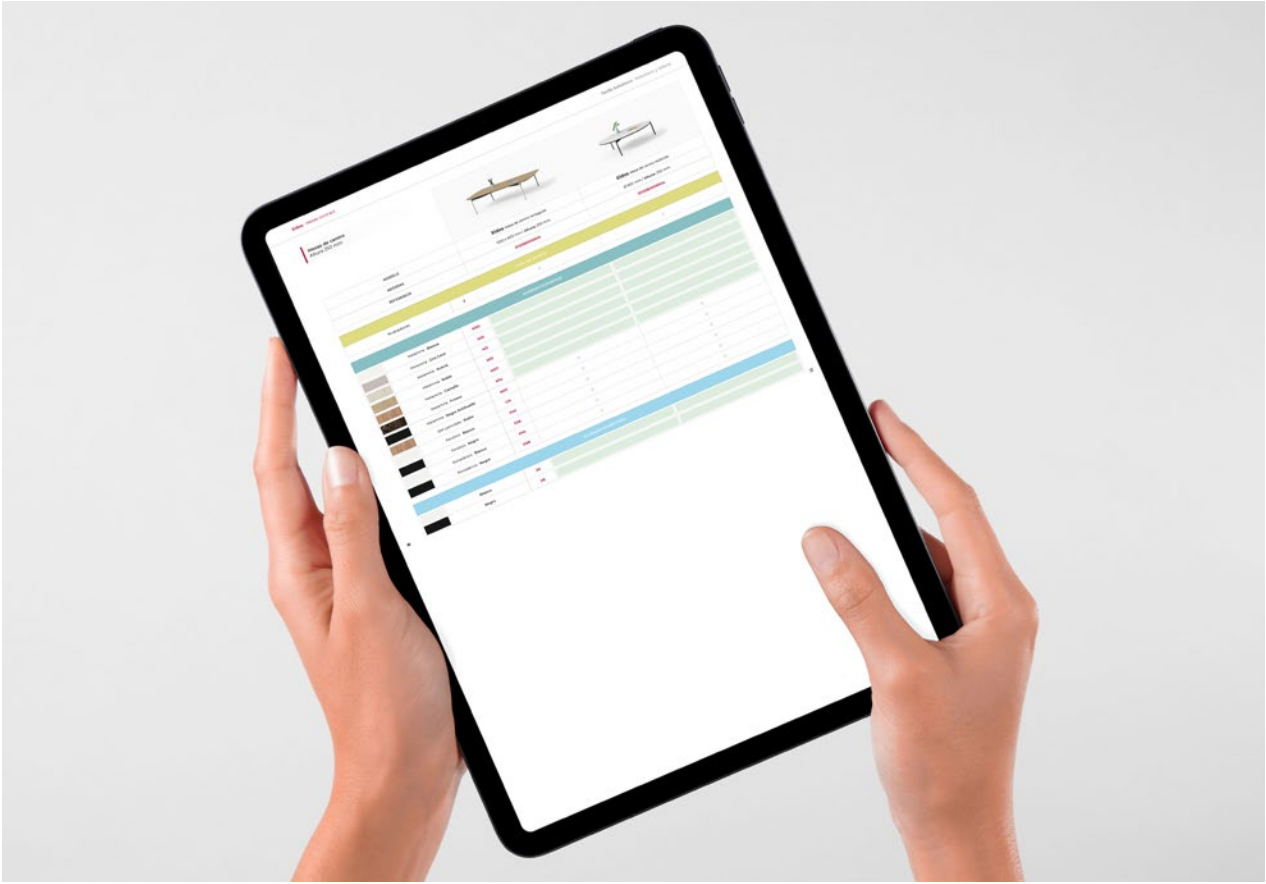

1. At the beginning of the coding and price tables of our price list, you will find the available models and their prices, as well as the basic reference of the product.

2. The system is designed to code vertically, adding desired components to the product by selecting the reference digits. Creating a correlation that will form the final order reference.

3. The finishes of arms, bases, optional complements, supports and upholstery will be shown in different colors so that the location of their reference and price is intuitive.

4. At the end of each table we will have legends or informative notes about the product being offered. Please read carefully to avoid confusion or mistakes when ordering.

Example of reference configuration for an order
