Collection of side, bedside and coffee tables composed of a rectangular top and structure in ash veneered MDF. The top and structure are made of double boards with a separation between them that has a 2cm offset from the border. The size and shape of the tables makes it possible to place them both individually and superposing, creating sets.

Francesc Rifé Studio

Collection of side, bedside and coffee tables composed of a circular top in marble or ash veneered MDF, and a cross-shaped structure in ash veneer. The top and structure are made of double boards with a separation between them. When the top is made of ash, the central separation has a 2cm offset from the border. When it's made of marble, the separation follows the shape of the bevel.
